WORTLEY HALL,  
SHEFFIELD.

Sept 8<sup>n</sup>

Dearest Mrs Clarke.

I have another letter  
from Lady Aylesford  
who says that she read  
my letter to the Duchess  
of Teck about the  
Cabinet. & St. R. H said  
that Mrs Sidds was  
a great friend of  
her father's the late  
Duke of Cambridge

and that she was a  
Miss Fielding - Lady  
Aylesford adds that  
it is great pity that  
the cabinet was not  
secured as a present  
for the D. & D. of York.  
for they value old family  
things above everything  
which same idea  
occurred to me.

Do. to do.

Dick enjoyed his visit  
to you immensely -  
He is so nice to his father  
such a help to me.  
How badly, the collectors  
are behaving! - more  
shame to our people  
who do not stand against  
these marauding lads  
They are stopping &  
robbing every one on the  
road between Birdwell

Baruskey Joe. But  
our men here have made  
a sort of a stand against  
them.
