

Queen Charlotte to Lady Charlotte

Feb 27 1781 con

(442)

My dear Lady Charlotte Linch. I again join with my  
Daughters in Teas for the Gifts of the Day, and rejoice  
to find that this new Year is begun without the want  
of a Nurse. may You continue to enjoy health and every  
other Blessing You deserve, it is My sincere Wish; and my  
desire that by looking at the trifling token You will  
remember Your affectionate Queen.

Q. M.  
the 27th Feby.  
1781.

Charlotte
