

PrivateHorsburghs April 30
1824

My dear Lord,

I beg to return the Letter
 from ^{Admiral} Lord Gage which your Lordship sent
 me on the 20th Inst and to enclose the copy
 of one addressed in October 1823 by the late
 Duke of York to Commodore Grant, which is
 the only trace I can find of any
 application made from hence in favour
 of Mr Frederick Dillon. — It is very
 Ours Right Hon^{ble}
 and Veracious Melville R.S. Per J. M.

possibly however that I may have made
 some verbal communication by order of H. W. K.
 subsequent to the date of the enclosed letter.

I have the honor to be with
 great regard

Very dear Lord

Yours very faithfully

J. Hayles
