

## Dr. Vaughan Report

August 24<sup>th</sup>

H. R. H. the S. of G. appeared  
 due at the extremity of weakness  
 about 9 o'clock last night,  
 so that it was <sup>not</sup> with the usual  
 difficulty H. R. H. pulse  
 was ~~discovered~~ — soon  
 after this however the  
 hemorrhage was found  
 to have abated, — His  
 R. H. has had several  
 hours good sleep in the  
 night, and the bleeding  
 is materially diminished  
 this morning
