

Stable Yard Chesham 27 1822

My Dear Lord

Understanding that You at present are engaged in settling the new arrangements and proposed alterations in the situation of the Officers General of Customs I trust that You will excuse my recommending to Your kind consideration the Interests of my friend Mr Bage who You was so good at my request and that of Mr Palmer Juniors to appoint one of the Officers General for Jersey

Should he unfortunately lose his situation, I will be complete ruin to them and their whole Family who particularly in the present hard times when Rents are so ill paid and so long forms press upon the Lord Lords hands, I am

little else but this plea to submit upon

May I also venture to recall to your memory
again the name of Captain Amory who is the
Duchess of St. Paul's Family, he is now upon the
half pay of a Second Captain of Artillery that
our kindly friend would be sure and the growing
Family.

Many thanks My Dear Lord for the
introduction upon you, when I hear you trust you
are pleased and surprised that I had not intended
to do. if I had had an opportunity of speaking to
you yesterday at the Anniversary here that I had
understand that you had been invited

I remain ever

My Dear Lord
The Right Hon^{ble}
The Earl of Devonport &c
& & &
Yours most sincerely
Frederick
