most secret

My Dear Garrison

As you appear
to have given up all idea
of Wabner, I wish to suggest
your coming to dinner
at Cornbe Wood on Sunday
the 20th (if we did) By
staying at Cornbe Wood
night we shall have the
whole of Monday morning
for our conversation without
any interruption. You would
show room at Cornbe
the

The whole of Madras, and
we could attend to our
respective offices in London
Glasgow

I, tell them I trust will
accept Madras, from the
King has given him an
encouragement & respects
a message, whether he has
or not, he shall not have
it

The news in rather Report
for I can hardly believe it
suspecting Admiral Boscawen
supposes it true What
are we to do, Can we
detach by taking Cuba or

any other manner, I shall of
general War.

War in a serious Question, for
War with France is War
to a certainty with the United
States, and War with
France of the United States
is a very different Question
before we have acknowledged
the Spanish Colonies as Indepen-
-dent, and made good an
agreement with them, and after
that event. I say nothing
of the rest of Europe

Even in England
disputed
