

Cleveland Nov July 26. 1798.

11. P.M.

Lord Grenville is just now honoured with  
Your Majesty's commands. He takes the liberty to  
return the note, as other matter was written on  
the reverse of the sheet, & he thought Your Majesty  
might possibly imagine it had been mislaid.

Lord Grenville,  
St. Andrew's Row, 20. July 1779
