Your most kind letter by dear Mr  
 Greenwood deserves my warm  
 thanks, as it has relieved my  
 mind from much anxiety -  
 I trust in God that dear Robert  
 with your care & prudence  
 will long my long to spend  
 for all our sakes - as his life  
 becomes more precious every  
year - If this fine matter lasts  
 the air & exercise must do  
 him good, & I trust when he  
 returns to home I in Henry (helped)  
 will be satisfied with the  
 appearance of things - I look back

with much pleasure to your  
visit at Baginbun Park and  
your constant kindness to me  
upon all & every occasion, which  
please me as not otherwise  
I may be ever very gratefully  
acknowledged - I beg you to believe me  
Yours very sincerely & devotedly

Henry
