

Bushy House.
 April 17: 1826.
 Late at night.

Dear Sir,

It is nearly late this evening
 I have your address written down & never have
 written to acquaint you the Dutch point
 on the King's river York on Sunday 21st they
 at Mechanics, to proceed to Calcutta & back.
 Their officers and having the advantage of your
 acquaintance I think it right thus to inform
 you. But your marked attention and politeness
 to the Dutch and my daughter's demands that
 I should inform you of our motions. The Dutch
 desire me to express their gratitude to you and

As pleasure in being once more under your care,
I am glad George Wyndham is to be of the party
and hope you and Lady Harriett will become
our neighbours.

God bless you and ever believe me,

Dear Mother,

Yours affectionately

Wm. Pitt Rivers
