

[C. 1809.]

troubled by your husband I am almost thankful
 to see you so happy and to see you
 with 14 children there in the same house you
 mention to me the same time, the first beginning
beginning at Christmas I the second in April next
 but I am frightened now I have put in the paper
 this three times since the beginning in some papers;
 must we expect to see not come in as they were to
 be made us by the Angels themselves — Every paper do

not but me for this I forgive
for what

This business per my report
