Dear Sir

I send you the enclosed which I hope you will find
 better. There is an old £ 3. 3. which being in the Post
 I could not better set, but that may be towards the
 due upon those you demand the total amount of which you
 must take care of - to thousands therefore for having lent
 me and I hope you will be able in July to say I have bought very
 much with you - to help you - I hope to know you are able to
 do the old you have made -

Yours truly

Wm Pitt

Being now a kin to both our great names yet this
