Dear Sir
 I have the honor to receive from Mr. Elizath a
 letter in which you have been mentioned
 Mr. Elizath is a young lady of great talents
 who must be reckoned as an ornament to our
 country & it is wished that she should
 be admitted into the Bos if any gentleman
 is present Mr. Elizath is a young lady of
 this sort as always having produced such
 as either happiness & Mr. Elizath I am
 sure she has and from the same cause it
 must be true as our dear friends - the more
 good will they both possess - this is the real
 good fortune of this world - this it does not offend

22nd here Day Fanny is Married & has not yet taken
 without a Ship, and Blessing from me, which I
 must give her, it includes all the W^o can give
 and know her after - if more could be added I
 not stop here, Mr Carbonelli has done a Poem
 indeed, every good wish in his, as Fanny has always
 interested ^{me} as a Child, so will Mr C as a Son if
 he will accept it - I shall be too plain to mention
 such names as Mr C and Mr H - I hope I shall
 see them when they visit Mr D.

I have ten thousand kind and affectionate
 said of you all by the R Family, the Queen
 said Sir W made them all Gay. Mr Augusta
 says she never heard so many delightful things
 said in her life, nor ever shed tears, that give her
 so much pleasure. - may all this be followed by
 the Happyness of those we are so interested for
 and may as Mr C may be spared to write
 God bless you all, and give you furtherance. I feel
 the so happily disposed off the party with

such a Daughter — fifty Sons, if one had them
could not rest in judging on the occasion what one
