Lambeth, Nov^r. 3, 1818.

Sir,

Presuming on your Royal Highness's Favour, I take the liberty to inform you, that I lately heard from my son Frederick, now Captain, and Major of Brigade, on the Madras Establishment. He expressed an anxious wish to be nominated to succeed to the Office of Town Major of Fort S^t. George, whenever vacant; and as the Appointment is in the disposal of Sir Thomas Hislop, the Commander in Chief, who had been very attentive to him through your Royal Highness's most gracious Recommendation. Therefore, most humbly beg of your Royal Highness, that you would be pleased to do me the Kindness

to represent my Son's Wish to the
General, and to move him in his behalf
being persuaded by the good Character
he bears, that he will ever exert his best
Endeavours to prove himself deserving of
your Protection, and that every possible
Happiness may attend You, and Your
Royal Consort, is the heartfelt Prayer
of him who has the Honour to be with
the utmost Respect and Gratitude

Your Royal Highness's
most obliged and most faithful
humble servant
A. W.

His Royal Highness
The Duke of Clarence
