My dear brother

Friday last was the opening of our
parliament all will go very well for us tho
I fear papa wont be contente with all the
proposals that will be made him if it dont
cause a quarrel. between the father & the
son I dont care for the rest, shalimboung
has been forbid. to appear & order'd. to
returne upon his estate. this is thought by
moderate people a little hard. I hope
you dont doubt my dear brother that I
wish you all the happiness you can
desire the Prince goes soon to Potsdam he
is very sensible of your goodness to him &
takes the liberty of presenting his duty
& I am with the greatest regard &
respect my dearest brother

your most dutiful
subject & sister
augusta.
