My dear Brother

In the greatest secret I received
yours of the 20 of March, the King of
Denmark has on my request given to
Dehn his White riter, William has
wrote to me that he will make some
stay at Hannover the Prince intends
to make him a visite for a few days I
have beg'd him not to come to Bronswic
till on his return as I shall be lying in
bed by the time that he gets to Hannover
& the old people would not know
what to do with him if I am not there
the Prince of Prussia is in disgrace
the King has taken all his servants
from him & he dont speak to him
its quite sure he cannot have any
children & yet they intend to marry
him again. I wish am my dearest
brother your most dutiful
subject & sister
