My dearest Brother.

Pingles letter said nothing, but by
yours I fear its too late to help her
Henry has been at St Omer & wants
to place madam in a Convent but
was refused; he will meet with many
mortifications on the Continent as
these sort of matches are lookt upon
as nothing here. could not Pingle
desire the Visitor not to come so
late. I ever am.

my dearest Brother
your most dutiful
Subject & Sister
Augusta
