

The Queen of Denmark

26th April 1768

Christiansbourg April 26th 1768.

Sir

I have just received Yours of the twenty second of
March for which I am much obliged to You.
I have a favour to beg, which I hope You will
not refuse me, as it has been the last
request of Monsieur De Reverden when he
took leave of me, he has been my Grand Maître
but for a short time but has behaved in a
honest manner, that it was impossible for me to
refuse him, intrusting my self for his friend
(whose name is on this paper), that he may
have the title of Captain Lieutenant. The Kings
journey is fixed for the 6th of May, I am in
hopes that he will not be abroad so long as we
had at first reason ~~to~~ to fear, though for the
present he is determined to go to England. I am
Dear Sir Your ever

affectionate Sister

Caroline.
