Sir

I received with the last Post, Your Letter
of the 31st of March, I made Your compliments
to the King, as You desired me to do, and
he seemed to be very glad that the Queen
was pleased, with his having sent the
Elephant Order to Prince George of
Medlenburg. ~~William~~ has wrote me
word that he shall be here the beginning
of July, which gives me the
greatest satisfaction. I desire You
will

be so good as to thank the Queen, for the
kind compliment she made me, in Your
last letters, and tell her how much pleasure
all the marks of her friendship gives
me. I remain Dear Sir, Your most

Affectionate Sister

Caroline Mathilda.
