Dear Brother,

I suppose that this will be the last letter that You will receive from me in Denmark. I have the consolation in leaving this country to know that my children are in good health, Louisa has had the measles, and I have not been well, but we are now both recovered. I do not think it impossible that I may some time or other see them again. I am afraid they will ^{prefer} my Son, as it is their interest that he should be as easy to govern as his Father is. receive again my sincerest

Dear Mother
I received your letter of the 10th and was
glad to hear from you. I am well and
hope these few lines will find you the same.
I have not much news to write at present.
The weather here is very warm and
pleasant. I have been out for a walk
every day and enjoy it very much.
