Dear Brother,

Mad^e D'Ompteda having recommended very much to me Monsieur de Balon, I can not help mentioning him to You, though I do not know him enough to judge if he is proper for Grand-Maitre. he is a Counselor of the Tribunal here, and she says she has known him for many years, that he has always wished a place at Court, as thinking himself proper for it, than were he is now employ'd. every body agrees here, that he is a very honest Man, and a good economist. I have already seen a great many Ladies from Hanover, they intend as I hear all to come. the Weather is so fine here that I am able to walk out every morning.

I am Dear Sir, Your most
affectionate Sister
