late than she had
 expected - & that she
 had sent a Courier
 to Mr B. with
 a letter giving him a
 rendezvous at Geneva -
 But both Mr B. &
 by C. L. agree in
 suspecting the L. to be
 nearer than Geneva
 on account of the

date -

Mr B. has received
 neither Courier nor
 letter as yet - But as
 he is desirous of
 sending a letter to the
 L. body he trusts
 Lord L. may be able to
 forward it -

In L. I had sent
 Mr B. ^{letter} last to the L. body
 but she had not as yet got it -

Mr Brongham to
The Earl of Liverpool
informing Lord L. that
he has read a letter
from the Queen to
Lady C. Lindsay dated
Geneva 7th May -
