

For
The Lady Sundon

Lewards ¹⁷ 28th June [1735]

(81)

Though my compliments may be some of y^e latest, yet none I dare say
are more sincere dear L^{dy} Sundon, ~~upon~~ y^e mark of distinction, & favour
lately shew'd you by Papa, & Mama. I hope you will many years enjoy it,
as well as L^{dy} Sundon, who I congratulate also with all my heart, & if you
will both continue your friendship for me, of which you have given me so
many proofs. So may^e Justice pay to be perswad'd of my gratefulness, &
believe me always your hearty Friend.

Anne
