Bushy House.

Feb. 4. 1807.

Dear Hawker,

Many thanks for the game you have  
occasionally sent: Mr. Jordan and all the children unite  
with me in every sincere wish for your health and well  
and we all desire to be kindly remembered to your daughter.  
God knows when and where we shall meet: strange events  
have since we parted and more extraordinary may  
occur before we see each other: I do not like either Europe  
or our own ministers: the children have all had the hoop-  
-ing cough: George is just returned to Harlow: the rest at  
home: Mr. Jordan will shortly be confined: I am toler-  
ably well: I hear you have been very near killed: I wish

and not the Fifthteenth come on the King's duty: I have a great  
deal to say on all subjects and I am afraid not very satisfac-  
tory.

Ever yours

J. H. Williams
