

St. James's.

Thursday Morning

20th Dec^r

Dear Madam,

I long & anxiously wait for the
 bottom of my heart in your safe return home:
 Lady Grey and Mr. Pitt must have been de-
 lighted to have me to join and the Duke & Duchess
 hope the two sisters will continue together
 as long as they like: she is quite well and happy
 and gaining universal approbation: she de-
 sires her best and sincerest wishes to yourself
 and Lady Grey: remember me most particularly
 - God kindly to Mr. Pitt and Mr. Pitt's young daughter.

ters are all well and with the Honors
desire to be remembered to you all & Bryan
adieu and ever believe me,

Yours sincerely

Wm Pitt
