Genl's Serv.  
Tuesday  
Night.

Dear Genl.

I received your letter of yesterday too late to save post: I am therefore to be up, my pen to express thro' you my thanks to the Prince Regent for the very handsome and unexpected manner in which my brother has had the kindness to appoint me Commander in Chief of the Fleet or rather the Admiral of the Fleet: the Services will follow whenever it please God to take some of the Grand Lord's bargains: adieu and ever believe me,  
Yours sincerely  
G. B. S.
