St. James's.
Thursday Evening.

Dear Sir. I called yesterday at Carleton House
and was glad to find you were gone and I hope you
will derive very benefit that is possible from
Leamington.

You must have been surpris'd at receiving from me
your pocket book: but finding it on the table at
Carleton House I found it: I now enclose you my
best note relative to young William Dunsford
hope he will be made a Lieutenant: I am
Dear Sir

with pleasure and certainty to meet you at Dayle
and ever remain,

Dear Sir,

Yours very sincerely

William
