

The Duke of Clarence

Buckingham
Thursday
Evening.

Dear Brother,

By the reduction of the respect-
ing Field Officers poor Dabynple, who was many
years in my family is left totally destitute: I cannot
provide for him but implore you to take his case into
consideration: I understand there is a vacancy as Clerk to
the Board of Green Cloth and feel the less difficulty in
hoping you will consider Dabynple for that situa-
tion as by his own account he was to Twenty Four: but
I know he is at least Eighty Four: he cannot therefore

long keep out the person either yourself or Chalmon-
deley may wish to provide for:

Ever remain,

My Dear Brother,

Yours affectionately

J. S. Millar
