To Pe of Hales

June 11 1802

My Dear Brother

Mamma when she told you
you the love and to say that she knew you had
a very handsome sent with these notes adjoining
she would be very much obliged if you could send it
New Brunswick in case that it is in London - but pray
let me have an answer by this evening. Excuse the
greatest haste - God bless you

Your most truly affctd

Daughter -
