

To Pece of Hales

Aug. 12 1803

I fear My ever Dearst Brother that I shall not have the happiness
of seeing you to day before you my warmest and most heartfelt con-
gratulations upon it - Be assured My Dearst Brother that present or ab-
sent we are in more tenderly attached to you than I am -
I am delighted in acquainting you that our dear Amelia is better - she goes
out morning and evening in the open air which is of great use to her
and her spirits are equal to her former state - I am going to send this to you by Mr
John to carry it to you - God bless you My Dearst Brother

Your most truly affec^d
