

Her R. H. the
Princess Augusta
Aug^r. 12th. 1815

August 12th 1815

My Dear Brother

May my good in this world attend
You and may you prosper every earthly happiness—
No one can see more misery in the world than myself
thousands of thousands will proclaim it more loudly
My sister will present you a little offering from me
which I hope you will like and accept for the sake of

My Dear Brother

Yours very truly affectionate

Augusta
