My Dear Brother

Fredrick will be so good as to express my grate-  
 tude to you for your great kindness which I am truly sensible of. I have as  
 it is your desire that behind these what should be <sup>unworn</sup> from my Father's  
 savings taken one Book and the pair of Shoes which can be made use of  
 in one of my light chains, they will be very useful and I am very much  
 obliged to you for them - Also I cannot say how much I feel your kind-  
 ness about the Wine, Mr Stephenson is good as to catch every thing for  
 me which is a great comfort - and he is such a faithful friend that all  
 that I send not find my self in better hand. -

I have given into Fredrick's charge the four Watches belonging to my Father  
 which I am sure you will be particularly gratified in receiving. I have put  
 upon Paper such an account of them, the variety of which I think  
 will doubly enhance their value - and I trust that the above of R's  
 may bring very long use of your dear self. Thank God you are well  
 as ever now. God bless you - Ever your most truly Affectionate  
 Son
