

Of the Duke of
Prince of Wirtemberg, and some of the
Royal (K)

My dear and Lady Charlotte
we are just come up stairs &
I can say with great truth
& pleasure that nothing
could go off better than the
interview of this evening
with the Prince of Wirtem-
berg, my mother is very
well pleased, with him
& I really think that he
appears delighted with
her. He has very handsome
countenance is certainly
very large but very light
with it & several medals

manner, in short we are
all pleased with him.
I am sure You will be
glad to hear that the
King was remarkably
kind & said many kind
some things about his
family. he staid two
hours with us & then
took his leave the
King very kindly saying
that he hoped he would
soon remove the fatigues
of his journey — my
sister is very well.
I send her love to You
but so certainly her

ned - You are my Eliza
