Dear Daniell,
I return you the attested
copy to keep of Sharr's letter and am not sur-
prized at its contents: I hope however the re-
maining articles of furniture will be sent
down: as for the carpets I must do as well as
I can if they are not spoiled: I am going after
church to Portsmouth to see the hull & return here on
2d: if any thing occurs write me word and ever
believe me,

Yours sincerely
J. P. Bymer
