

Bushy House.
Oct: 5: 1825.

Dear Sir, I answer to yours of 2^d instant
which reached me last night I must however
I thought I had already signified His Highness
- his gracious commands to thank you for the
very handsome Oak Box which brought back
to the King's men the recollection of just and
pleasant scenes. I am now to make my ex-
-cuses for my negligence and ask of your forgive-
-ness.

I'm very much gratified with my tour abroad
I am returned home with delight and more pleas-

there ever with my native country. We had
 a very rough passage during our time in the Sub.
 - she's suffered severely from sea sickness: but
 she is quite recovered now and decidedly the bet-
 -ter for her visit to her family.

God bless you and ever believe me,

Dear Sir,
 Yours sincerely
 J. M. H.
