

Rushy House.
Friday
Night.

Dear Peabody,
In answer to yours of the
instant, I am to be sure that it is not in my
power to send your friend with the Bishop
of Bangor: the *Trajendic* was my private
tutor we have not for many years exchan-
-ged a word on a hat; in short, I have not
any thing to do with him: I regret it only be-
-cause I cannot show you the attention I

wish: edine and over believe me,

Yours sincerely
J. J. J.
William
