Dear Lady Eliza I received your
 kind letter of Sept. 25th

 and so did not think
 I had been obtained solely
 on the road by illness.
 I trust I hope that you
 may be recovered &
 will now enjoy good
 health for a long
 time to come. It must
 have been a great dis-

appointment to you
to be kept away from
home so long & I am
regretting it more than
I can express it, with
wishes for your speedy
return however.
My wife never quits
me entirely, but I have
had it so long & am
so accustomed to it
that I don't much
mind it unless it
becomes at times more

Troubled some & then I took
some Medicines to relieve
me of so disagreeable
a complaint. His

never be without it
for the rest of my
life.

We paid by a principal
