

The King is very grateful for  
your kind invitation to send him  
so beautiful a work, but  
as he never meets any other but  
white cotton work, he  
gave it to me, to send it to  
my Brother, with your kind per-  
mission. He is equally obliged  
to you & I shall have great pleasure  
in sending this beautiful specimen  
of Irish work to Germany as  
you think my Brother will wear it  
with delight. Many thanks to  
you for it.
