To Lady Mayo

St. James's.
Friday Evening.

Dear Madam,

This morning when your-
want came into my room I brought me the
most satisfactory and final answer of acceptance
from Princess Adelaide and if possible to add
to the graceful manner in which this elegant
minded Lady has under all the circumstances
conceded to be mine she has ever written part
of her letter in English: business may prevent
my seeing either your lady or Miss Smith
till tomorrow but at all events I direct Mr. J.

Wishes tomorrow and Saturday and ever remain,

Dear Madam,

Yours sincerely

A. S.
