

Bushy House.  
 12  
 Sept: 17: 1828.

My Dear Lord,

In answer to your Lord-  
 ship's letter of 9 instant I have to return the  
 enclosed from the Duke of Cambridge.

I am glad the Marquis is going so well. I do  
 you he need it. His Lordship will enjoy the  
 carriage races and must be pleased with the at-  
 tentions of the Irish.

Our weather has been very ungenial. Hope your  
 side of the water appears of the same measure.  
 I rejoice you are so quiet. Hope you will remain  
 so.

I am truly well. The King and you by the  
 Duke's orders to be kindly remembered to the

no news. I hope they are your Lordship's as well  
as I wish you. I have been here for change of air. But  
the weather has prevented my riding more than  
twice and on Saturday I return to town. I shall  
you and never believe me,

My Dear Lord,

Yours most truly  
A. M. M.
