Sir

Being pretty well informed
that the Duke of Bedford intends
asking leave to resign and to request
L^d Temple for his Successor I thought
it would excuse this impertinence

Permit me Sir to hope that some
morely same profit may be continued
on this occasion & that if you

Majesty think it fit to allow
the Duke of Bedford to resign
that you would be pleased not to
grant the other as I am sure we
can treat better with M^r Pitt;

I remain with the utmost duty
zeal and affection

Your Majesty's
most humble obedient servant
subject and Uncle

William
