

Lord Hertford

Acknowledgements
for the Confidence
reposed in him.

Feb. 28 1772

1272

Sire

Your Majesty does me great
honour in communicating your
sentiments to me; you cannot
convey them to any person that does
who has a more sincere zeal for
your service, nor that can wish
more warmly than I do to prove
himself upon any & every
occasion with personal attachment

your Majesty's
most faithful & most

your Majesty's
most devoted servant
