

For the Year 1719

5th Geor by the Act for Applying certain Overplus moneys
 pag. 94 -- It is Enacted that 196444. 18. 3 $\frac{1}{2}$ remaining at Michas 1718 for
 the Overplus of the Aggregate Bonds being over and above the Excess
 of the Civil List Bonds for 3 years ended at the same Feast day
 and that all the Overplus of the Civil List Bonds for the said
 three years, and 19577. 10. 0 remaining at Michas 1718 for
 the Surplus of the South Sea Bond and 190436. 15. 11 $\frac{9}{10}$ being
 the Surplus at Michas 1718 upon the Generall Bond of —
 724849. 6. 10 $\frac{1}{2}$ p^a Ann and all the Excess and Overplus moneys
 which should arise upon the same three Bonds within the
 half year ended at Lady day 1719 should be Applied towards
 redeeming 76030. 15. 0 p^a Ann payable to the Bank for
 Circulating Exchequer bills, and to the Discharging of the said
 Bills as far as the same would Extend —

Mem^d The Amount of the Surplus of the Civil List for the
 said three years is not expressed in the Act but by the
 Account Stated by M^r Lowndes which was the first
 Account taken thereof the same amounted to 163046.
 0. 8 $\frac{1}{4}$ and was together with the other Overplus moneys
 Applied as the Act directed

pag 122

The Overplus of the same three Bonds after Lady day 1719
 were by the aforesaid Act made a Bond of Credit for
 520000 at Interest not exceeding 5th p^{ct} Cent, but that
 Credit not being used, the Act pag 139, allows the —
 Applying out of such Overplus moneys to the value of
 520000 for paying off Principal and Interest on Excheq^r
 Bills which was accordingly Applied, and 82187. 12. 0 $\frac{3}{4}$
 for the Overplus of the Civil List Bonds for the year ended
 at Michas 1719 on an acco^t thereof (being the second
 acco^t Stated by M^r Lowndes) was part —
