My Dearest G^d.

According to my promise I
inform you that we all arrived here at a little after 5 o'clock
we got in before My Sister - as Lucia was so much tired the
Night before as to go to bed as soon as she came to bed - and
did not get out till late yesterday morning - and then stopped a
good while at Bolandford - She has had a very tolerable
Night and Maria is satisfied about her - She was much
affected when she first arrived here, but the keeping up in
her own Room, ^{indeed in bed} the whole evening, and staying quiet today
will be of great use to her - She is in very good spirits &
will have Lady Neale to spend the evening with her
while we shall wait at the Rooms - The wind is to
send any thing in point of noise but as we are upon
Sunday & the French unable to get out of Brest for
partly satisfied - it will give us time to prepare for the
action which I hope to God will take place in Midnight
Weather - Mamma & My Sister desire their letters
to you - and the the Mail is at the Door I must add
that the thing mentioned at Dinner yesterday has very

Superior your Regiment rides to all others as they all ride in
the same style - & that tho' all the Horses were Excellent the
Chermsit & B's lack troops were quite Perfect - God bless you
My Dear H of B - I shall write again sometime -

Ever your most truly Aff^{to}
