To Peo of Hales

Nov. 7 1799

My Dear Brother

I am concerned at hearing that

You are still very ill, that I cannot help begging You as a favor
 not to think of coming to Windsor tomorrow. You should be
 miserable if You were to hurt Yourself on my account, as
 You may believe me most sincere when I tell You that we
 are here You more truly are with more Affection than

Yours devoted

Augusta

James's House

Nov. 7th - 1799

Mr. R. W. M.
Dunlop August
Nov 7th 1799.
