Her R. H. The
Princess Augusta

7 June 1808
(cf. next.)

My Dearest Brother

The Queen commands me to inform you, that she has received the paper from Madame de Malesherbes asking to be presented to Her Majesty. She thinks it would be too early for you, if this took place before the Drawing-room therefore she wishes to know if you don't think that it will be just as well for her to be introduced after it is over. The Queen is obliged to send to Mr. Sherwin this evening, which is the reason of my writing to you at this hour. Will you just send me an answer to York House.

Your very truly Affectionate

Augusta
