My Dear Mother

Sophia and myself will ride over to
visit you tomorrow. We will be at Oaklands between twelve and
one o'clock and stay with you so as to be at home again time enough
to dress for dinner at four o'clock. I need not say how happy we are
at the thought of seeing you. Mary and Eliza will come on
Monday next - God bless you - I send this by an orderly to
arrive Monday

Your very aff^l

Mary Anne
