I have just receiv'd my
 dear friend a letter
 from Hanover, which
 assures me that Mr.
 Stanhope has more
 credit than ever, & that
 at his instance the
 King caus'd Mr. Robert
 to be arrested by a
 Serjeant & four soldiers
 in the journey that
 he undertook to
 follow D. Sunderland.
 he is at liberty in
 Hanover but under
 disgrace, I believed
 this might be of service
 to you to hear, for it
 is news, that none
 know.
