

to Miss Sketchley?

Bushy House.  
 Tuesday  
 Night.

Dear Madam,

Enclosed are two letters from  
 Dr. Jordan who I trust will be enabled to return  
 home tomorrow as Dr. Hunter is in great  
 danger: should she be in Cadogan Place, I wish you  
 would bring her to St. James's as usual to break  
 fast next Thursday: I want to know how she  
 is: my love and best wishes attend the boys and ever  
 believe me,

Yours sincerely  
 William
