

Buckingham Palace,
Jan: 11: 1828
Late at night.

Dear Augustus,

In answer to your offer
today I have to inform that, being no longer
in office I do not conceive I have a nomination
at the Charter House. Indeed during my
appointment I do not believe I ever gave away
anything of the kind. But you had better enquire.
I believe I am not a Governor at present.

I am very much obliged
to you for your accident. I am thank'd for
better luck prevented by the weather, from taking
air and exercise as I wish. My strength and
strength are still wanting, mine. Yours &c.

account of Dr Estlin gives me much concern and I
trust our medical aid and his attention will
bring him quite to sound. The Society desires
to be most kindly and particularly remembered
to you and notes with one most sincerely
in every heart your desire for your health and
well fare.

God bless you and ever believe me,

Your affectionate Brother

W. W. Phelps
