

ADD 4

You are quite right  
to take care & watch  
your dear little first  
nephew & I & I  
entreat you not to  
think of coming this  
Eg. - We have a small  
party & it will not  
be necessary at all  
for you to attend his  
Levee. So pray stay  
at home in peace &  
comfort.

Hope I shall  
hear a good report  
of the dear little  
girl tomorrow  
& that she & she  
is better.

God bless &  
protect you all  
your  
sincerely  
Catherine
